INFORMATION DISCLOSURE STATEMENT

PATENT

However, the concise explanation of the relevance of the documents under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof. A partial English translation of document FJ is also submitted herewith.

Document FH is in the English language. Therefore, no concise explanation of the relevance of the document under 37 C.F.R. §1.98 is believed to be required.

Document FI is also not in the English language. However, the document has been cited in the International Search Report of the present application (a copy of the search report was submitted to the Office on June 24, 2005). The relevance of the document is discussed in the search report and is believed to satisfy the requirement under 37 C.F.R. §1.98 for a concise explanation of the relevance of the document.

Documents FD to FH have also been cited in the International Search Report. Please note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

Please note that document FA is described in the paragraph beginning on page 3, line 2, of the specification of the present application. Documents FB and FC are described in the paragraph beginning on page 4, line 21.
